The Commission in exercise of its powers under Section 41 and Section 51 read with Section 181(o) and (y) of the Electricity Act, 2003 (36 of 2003), and all powers enabling it in that behalf, had issued the KERC (Sharing of Revenue from Other Business of Transmission and/or Distribution Licensee(s)) Regulations, 2020, to provide for sharing of revenue from other business of the licensee(s) and matters incidental and ancillary thereto.

KPTCL, after issue of the above Regulations by the Commission, has requested the Commission to remove 3<sup>rd</sup> proviso to Regulations 5(6) of the above mentioned Regulations which was issued in accordance with Section 17(3) of the Electricity Act, 2003. KPTCL has submitted that, Section 17(3) of EA, 2003 specifies that transferring a part of licensing activity/utility will

require prior approval of the Commission, but KPTCL has proposed to spare its assets which are not required/used by them. Section 17(3) and (4) specifies the following:

“(3) No licensee shall at any time assign his licence or transfer his utility, or any part thereof, by sale, lease, exchange or otherwise without the prior approval of the Appropriate Commission.

(4) Any agreement, relating to any transaction specified in sub-section (1) or sub-section (3), unless made with the prior approval of the Appropriate Commission, shall be void.”

Hence, taking cognisance of the submissions of the KPTCL and the provisions of the Electricity Act, 2003, the Commission vide its powers conferred under Regulation 10 of the KERC (Sharing of Revenue from Other Business of Transmission and/or Distribution Licensee(s)) Regulations, 2020 proposes a draft KERC (Sharing of Revenue from Other Business of Transmission and/or Distribution Licensee(s)) (First Amendment) Regulations, 2022 amending KERC (Sharing of Revenue from Other Business of Transmission and/or Distribution Licensee(s)) Regulations, 2020.

Regulation 10 of the KERC (Sharing of Revenue from Other Business of Transmission and/or Distribution Licensee(s)) Regulations, 2020, specifies the following:

**“Power to amend:**

*The Commission may, at any time add, vary, alter or modify any provisions of these Regulations by amendment.”*

Under the above mentioned circumstances, the Commission hereby proposes to amend the KERC (Sharing of Revenue from Other Business of Transmission and/or Distribution Licensee(s)) Regulations, 2020. The draft Regulations is hereby notified for information of all the persons likely to be affected and all the stakeholders.

The stakeholders and interested persons may file their objections/suggestions/views on the proposed draft within 30 days from the date of publication in the gazette, to the Secretary of the Commission at the following address:
